PROFESSIONAL SUMMARY

Motivated second-year BCom Information Systems student seeking an internship opportunity to gain hands-on industry experience and apply my growing knowledge of information systems in a practical setting. Brings a strong work ethic from experience in bartending and customer service, where I developed the ability to work independently, think on my feet, and perform well under pressure. Known for strong organizational, communication, and teamwork skills, a proactive attitude, and solid problem-solving ability. Dependable, adaptable, and committed to delivering high-quality work.
